CATHOLIC SCHOOLS WEEK 2012

Throughout the week we will have speakers coming to talk to our students about topics related to our CSW theme, "Faith. Academics. Service." Our students will also do special classroom activities related to our 100th anniversary that emphasizes the ideas of our theme. For example, making valentines/birthday cards/thank you notes for parish shut-ins, seminarians, priests and sisters; making a list of 100 important events in history, 100 favorite books, or 100 saints.
